### **Agenda Item #1**

There are 3 options for new officials to take the required course. The first option is online. USAC has an online course that can be taken at the convenience of the student. A second option is for NMBRA to arrange for a Zoom course with USAC. USAC can provide an instructor at a pre-scheduled time. The third option is to have an in-person class here in Albuquerque. NMBRA would need to find an instructor and would set the date and time. The second and third option allows for an interactive teaching environment.
